Professional Summary

I am a passionate MERN Stack Developer with 1.5 years of professional experience in building and maintaining scalable web applications. Skilled in MongoDB, Express.js, React.js, and Node.js, I have contributed to live projects involving responsive design, real-time features, and API integrations. With a B.Tech in Computer Science, I aim to leverage my technical expertise and problem-solving skills to deliver high-quality, efficient, and user-focused solutions, while continuously enhancing my knowledge to grow as a versatile software developer.

Technical Skills

- **Languages:** JavaScript (ES6+), C
 - **Frontend :** HTML, CSS
 - **Frameworks/Libraries:** React.js, Next.js, Express.js, Node.js, TailwindCSS, BootStrap, Redux
 - **Databases:** MongoDB
 - **Tools & Platforms:** Git, GitHub, Vercel, Jira
-

Professional Experience (1.5 Years)

MERN Stack Developer | Yatiken Software Solutions

 Noida |  Feb 2025 – Present

- Developing and maintaining live projects using React.js, Next.js, and Node.js
- Collaborating with the team to build responsive and interactive web applications
- Implementing frontend components and integrating them with backend services

Web Developer Intern | Yatiken Software Solutions

 Noida |  Jan 2025 – Feb 2025

- Assisted in developing live projects using React.js, Next.js, and Node.js
- Worked closely with the team to create responsive and user friendly web interfaces
- Implemented frontend features and integrated APIs
- Contributed to code reviews and followed best development practices

MERN Stack Developer Trainee | QSpiders

 Noida |  Jul 2024 – Dec 2024

- Completed 6-month training program on MERN stack covering MongoDB, Express.js, React.js, and Node.js
- Gained hands-on experience by working on practice projects and implementing end to end web applications
- Strengthened understanding of full stack development and industry best practice

React.js Trainee (Vocational Training) | DUCAT Noida

 Noida |  Sep 2023 – Dec 2023

- Completed vocational training in React.js, focusing on building dynamic and responsive web applications.
- Gained hands-on experience with JavaScript (ES6+), React.js, JSX, and component-based architecture.
- Developed small projects including interactive UI components, form handling, and state management.

Projects

ShipDuniya | [Next.js](#), [React.js](#), [Node.js](#), [MongoDB](#)

- Developed a shipping and courier service platform with vendor management, order tracking, and OTP-based authentication.
- Built a responsive UI with real-time updates for order management and integrated APIs for pricing & delivery tracking.

GoUniNest | [Next.js](#), [React.js](#), [Tailwind CSS](#)

- Contributed to a student housing platform with property listings, search, filters, and enquiry forms.
- Ensured seamless usability across devices with a fully responsive design.

PrintNParcel | [Next.js](#), [React.js](#), [Tailwind CSS](#)

- Built an online print ordering platform with file uploads, customizable print settings, and cart functionality.
- Developed a real-time checkout system, ensuring smooth order placement similar to Blinkit Prints.

Blog Application | [React.js](#), [Node.js](#), [Express.js](#), [MongoDB](#)

- Users can create, edit, delete blogs with Markdown support.
- Features role-based authentication for admin & writers.

Chat Application | [React.js](#), [Node.js](#), [Express.js](#), [MongoDB](#), [Socket.io](#)

- Real-time group & private chat with typing indicators.
- Integrated online/offline user tracking and push notifications.

News Application (Vocational Training Project) | [React.js](#), [API Integration](#), [Bootstrap](#)

- Built a news application that fetched and displayed live articles using a public API.
- Designed a responsive interface with Bootstrap, enabling category-based news browsing.

Education

Bachelor of Technology (B.Tech) | Computer Science & Engineering

Integral University, Lucknow |  2020 – 2024

CGPA: 7.8

Intermediate | PCM

Dr. G.L. Kanaujia Public School, Shahjahanpur, Uttar Pradesh |  2018 – 2019

Percentage: 69%

High School | PCMC

Dr. G.L. Kanaujia Public School, Shahjahanpur, Uttar Pradesh |  2016 – 2017

Percentage: 76.67%

Certifications

- MERN Stack Development training from QSpiders, Noida.
- React.js training from Ducat, Noida.
- HTML & CSS for Front-End Web Development by DevCrusade.
